The performance data quoted here represents past performance. Past performance is no guarantee of future results. Investment return and principal value will fluctuate, so that an investor's shares, when redeemed, may be worth more or less than their original cost. Current performance may be lower or higher than the performance information quoted. To obtain performance information current to the most recent month-end please call 888.998.9890 or visit our website at [www.gavekalfunds.com](http://www.gavekalfunds.com).

A redemption fee of 2.00% will be imposed on redemptions or exchanges of shares you have owned for 90 days or less. Please see the prospectus for more information.

The Fund's advisor has contractually agreed to waive its fees and/or absorb expenses of the Fund to ensure that total annual fund operating expenses (excluding taxes, leverage interest, brokerage commissions, dividend expenses on short sales, acquired fund fees and expenses as determined in accordance with Form N-1A, expenses incurred in connection with any merger or reorganization, or extraordinary expenses such as litigation) do not exceed 1.50% and 1.25% of average daily net assets for Advisor Class and Institutional Class Shares, respectively. This agreement is in effect until December 31, 2012, and it may be terminated before that date only by the Trust's Board of Trustees. The Fund's advisor is permitted to seek reimbursement from the Fund, subject to limitations, for fees it waived and Fund expenses it paid for three years from the date of any such waiver or payment.

Please consider the Fund's investment objectives, risks, charges and expenses carefully before investing. The prospectus or summary prospectus that contains this and other information about the Fund is available by calling 888.998.9890 and should be read carefully before investing.

The value of the securities held by the Fund will change due to general market and economic conditions and industry perceptions. Investments in non-U.S. issuers may involve unique risks. Currency fluctuation, adverse political, economic or social developments could undermine the value of the Fund's investments. The securities of mid-cap companies may be subject to more abrupt or erratic market movements and may have lower trading volumes.

Abbreviations: PMI = Purchasing Managers' Index; ECB = European Central Bank; BPS = Basis Points; VIX = ticker symbol for the Chicago Board Options Exchange (CBOE) Volatility Index.

The MSCI World Index is a free float-adjusted market capitalization weighted index that is designed to measure the equity market performance of developed markets. It is not possible to invest directly in an index.

S&P 500 Index is an unmanaged capitalization-weighted index (weighted by the market value of the companies) of 500 stocks listed on various exchanges.

Definitions: **Basis Points** are a unit that is equal to 1/100th of 1%, and is used to denote the change in a financial instrument. The basis point is commonly used for calculating changes in interest rates, equity indexes and the yield of a fixed-income security. **Purchasing Managers' Index (PMI)** is an indicator of the economic health of the manufacturing sector. The PMI index is based on five major indicators: new orders, inventory levels, production, supplier deliveries and the employment environment. **VIX** is the ticker symbol for the Chicago Board Options Exchange (CBOE) Volatility Index, which shows the market's expectation of 30 day volatility. **Fiscal Cliff** refers to what could happen beginning in 2013 to the U.S. with the expiration of 1) the Bush tax cuts, 2) the activation of the automatic sequester cuts, 3) the payroll tax holiday cuts and 4) the unemployment insurance extension. **Price/earnings ratio (P/E)** is the price of a stock divided by its earnings per share. **The Beige Book**, more formally called the Summary of Commentary on Current Economic Conditions, is a report published by the United States Federal Reserve Board eight times a year. **Citi Economic Surprise Index** is a proprietary gauge by Citi designed to track how well economic data is doing in comparison with economic expectations.
